IN MEMORIAM

IN MEMORIAM
In loving memory of my nephew, Gerald M. Harvey, who passed away on Oct. 30, 1953.
Time speeds on, five years have passed,
Since death in gloom its shadow cast.
Within our home when all seemed bright,
And took from us a shining light.
We miss that light and ever will,
His vacant place there is none can fill.
Treasured thoughts of one so dear,
Often bring a silent tear.
As time and memory both shall last
From our hearts you will never pass.
Until memory fades and life departs
You will live forever in our hearts.
Aunt Ida.

Band Now Has New Uniforms

The Appomattox School Band, which has developed rapidly in recent weeks, will appear in their attractive new blue and white uniforms for the A. H. S. Homecoming tomorrow, both for the parade at 2:00 in the afternoon, and at the homecoming football game. Also, the band will parade in Lynchburg Saturday.

Eighty-seven uniforms were purchased, meaning that all members having uniforms for years to come. We have been asked by the school to release the following word of appreciation:

"On behalf of Appomattox High School Band, I would like to express my sincere gratitude for the organizations and individuals who made it possible by their generous contributions and efforts to purchase band uniforms. Among those to whom we are indebted are: Lions Club, High School P.-T. A., American Legion Auxiliary, Junior Woman's Club, Miss. Flora Belle Williams, and several anonymous donors. We are especially thankful to Mr. Thelbert Trent and Mr. Fred Woolridge, for taking time to drive to Ohio and pick up these uniforms. We are proud that not only do we have the uniforms but to know that they are paid for in full.

Turning out in even larger numbers than had been hoped for, Appomattox voters on Tuesday gave a vote of confidence to incumbent U. S. Senator Harry F. Byrd and to Fourth District Representative Watkins M. Abbitt. Mr. Abbitt polled 1,965 votes to 154 for his opponent, Frank M. McCann, who ran as an Independent Republican. Senator Byrd polled 1,893 votes to 148 for Dr. Louise Wensel and 34 for Robb.

A proposed Constitutional Amendment to provide a larger source of borrowing for school construction by Virginia counties, passed here 1,074 to 446. It also carried in the state.

In the state, Mr. Byrd was swept to a new six-year term by a three to one margin.

Mr. Abbitt won a new term in the Congress from the Fourth District, carrying every county and city in the district, to roll up a margin of approximately 36,000 to 4,000.

The voting was brisk here at the big court house precinct all during the day., with over 800 votes being cast.

Typical votes in the Fourth District, for Congress, were: Amelia, 1,075 for Abbitt, 162 for McCann; Brunswick, Abbitt 2,290, McCann 256; Lunenburg, Abbitt, 1,958, Mc Cann, 106; Nottoway, Abbitt, 2,086 and McCann, 224. McCann made his best showing in the eastern end of the district. Generally, over the district, the vote a heavier than expected. This bore out the statement of Mr. McCann, that he entered the race to give a boost to a two-party system, and provide voters with a choice. He expressed satisfaction at the vote he received. Mr. Abbitt likewise issued a statement of his thanks for the support he received. Most observers were stating that the election result was a sign of approval of Virginia's massive resistence program as to school integration, which was the principal issue raised over the state.

WEEKLY NEWS REPORT OF MAYOR MOSES

To the Citizens of
The Town of Appomattox:
You fine people are to be commended highly for your cooperation and support during the Hallowe'en and the festivities here last weekend.

I feel that all of us owe a debt of thanks to the Elementary and High School P.-T. A.'s and their workers for the fine Hallowe'en party that was sponsored for both the adults and the children.

The Week of Nov. 9-15 has been declared American Education Week. During this period, I certainly feel that it would be very fitting and most appropriate for all of us to make a special effort to visit our schools. During this day and time in which we are living, I believe we probably take a lot of things for granted. We are most fortunate in having the high caliber school teachers that we have here in Appomattox County and I feel that all of us should make a special effort to thank them for the wonderful job that they are doing in educating our children. Let's everyone please bear next week in mind and exert every effort we have to show our appreciation to our school teachers, school officials and to our beloved students for their excellent work.

Your counsel and advice on all public matters are welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

The people of Appomattox County are again reminded that the need for blood is urgent. It is very important that the quota of 115 pints be met in order that the county might remain in the Red Cross Blood Program. As has been previously stated, Appomattox County has used considerably more blood than has been donated.

The Red Cross Bloodmobile will be set up in the Liberty Baptist Church on Nov. 14, and will operate between the hours of 11 A. M. and 5 P. M. Anyone between the ages of 18 and 59 can donate. Giving blood is painless and takes only a little time. A doctor is present to talk with each person and an examination is given to determine whether or not each donor is physically able to give.

Donors at this visit stand to win twofold as prizes donated by local business establishments will be awarded to five fortunate people. The prizes include $10 savings accounts, gasoline, anti-freeze and theatre tickets.

Mrs. Morton Ferguson, Red Cross Blood Donor chairman, says that although response has been good by volunteer donors, there is plenty of room on the schedule for more. She reports that a review of the pledge cards and telephone appointments already in hand, shows that a large percentage are repeaters, persons who have donated at least once before. Some are persons who have donated a gallon of blood or more. This means that a relatively small number of people are carrying responsibilities for the health of their fellow citizens that should be spread among many more. Mrs. Ferguson says, "I urge residents of Appomattox County who have yet to make their first donation of blood to sign up. Their gift may mean life to a neighbor."
